

Cette histoire est celle de Gogama.

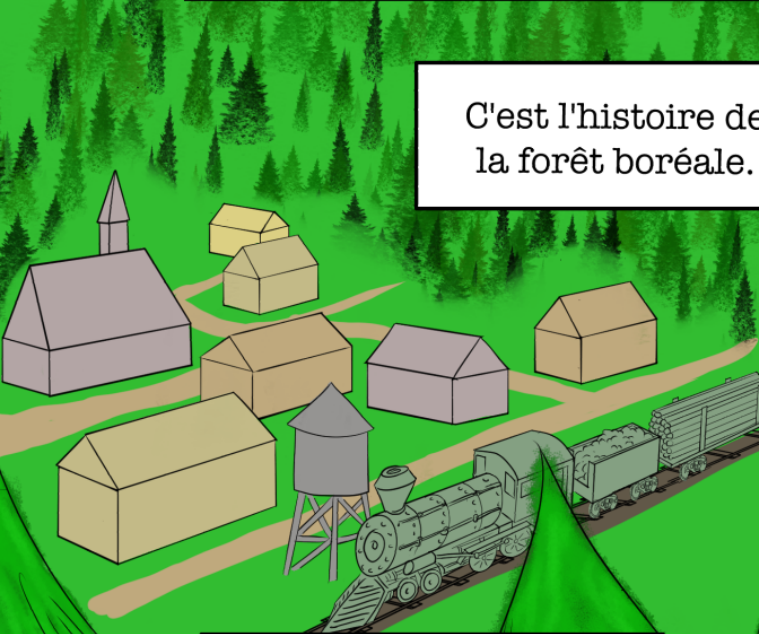

C'est aussi celle du nord de l'Ontario.

Et celle d'une Amérique encore jeune.

C'est l'histoire de la forêt boréale.

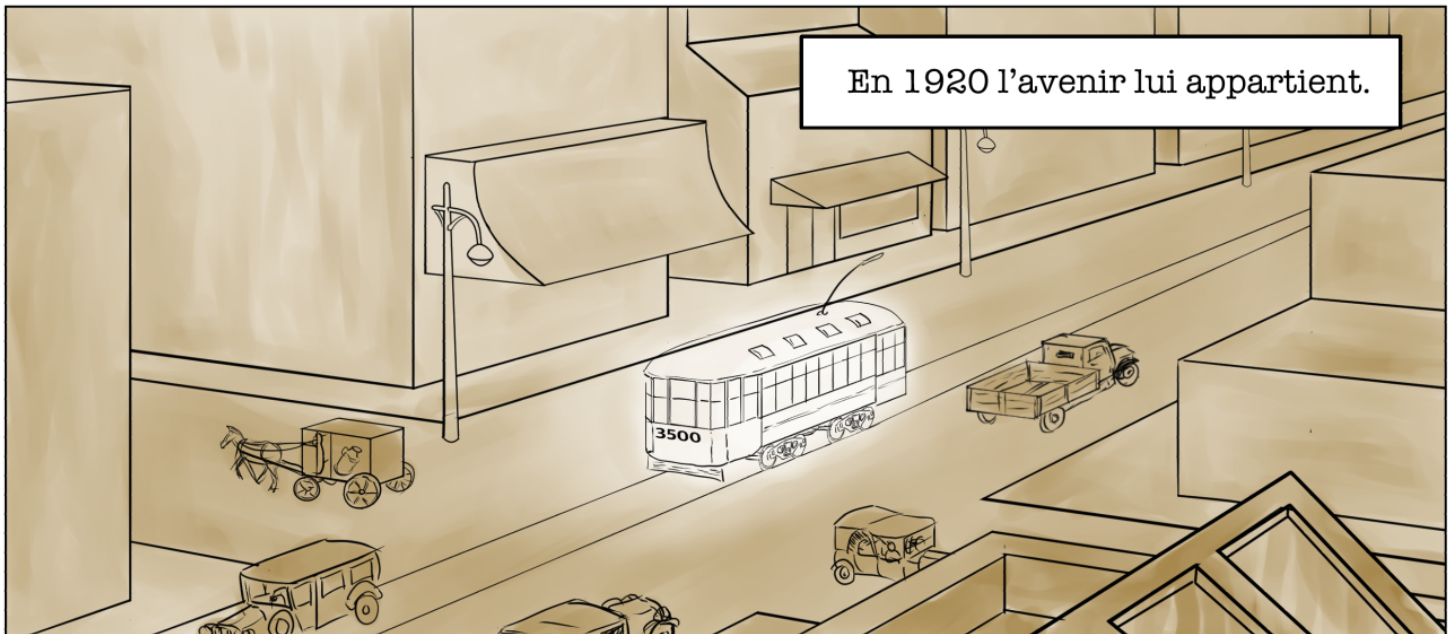

Et celle d'un homme en soif de liberté.

Qui est donc ce personnage?

En 1920 l'avenir lui appartient.

Depuis quelques mois, Joe LaFlamme conduit des trains électriques au centre-ville de Montréal.

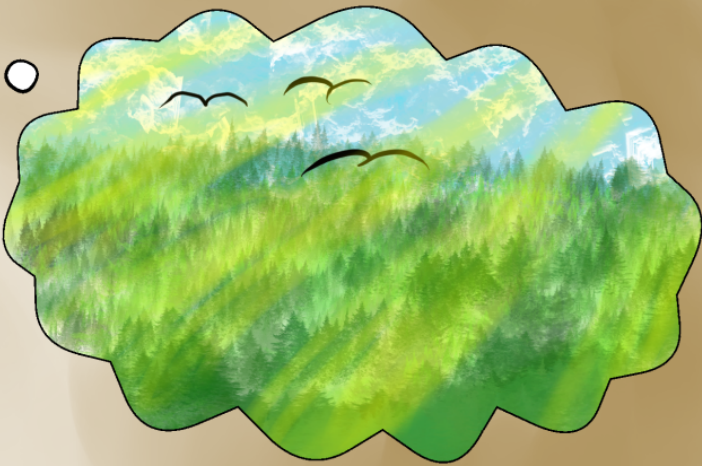

Il se sent agité. Il a grandement besoin de bouger au grand air.

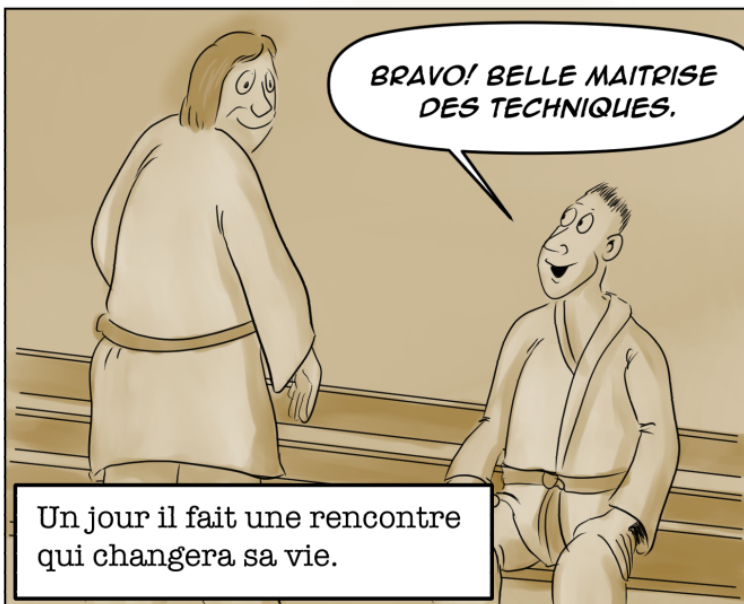

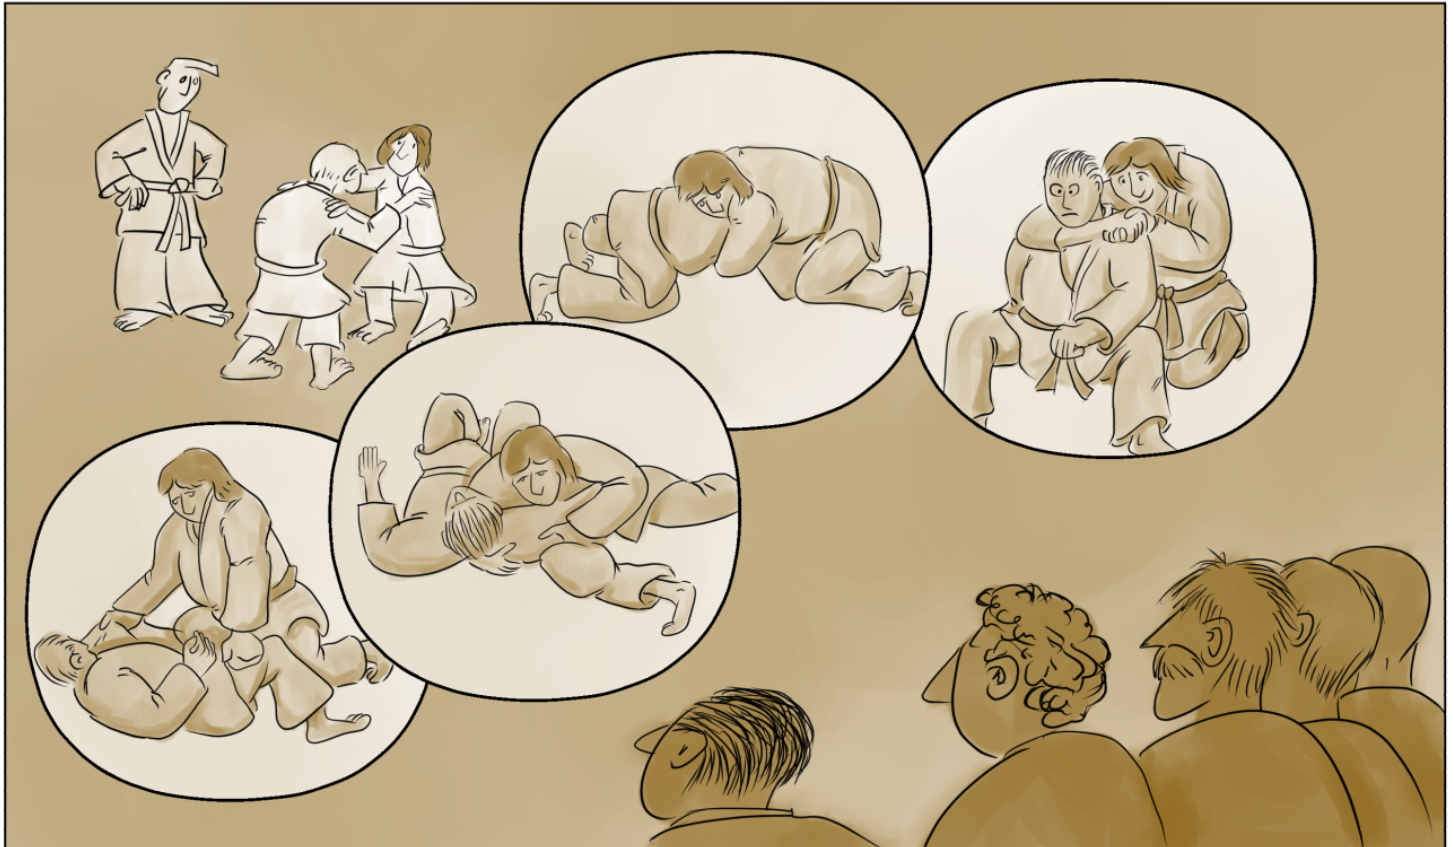

*J'ÉTOUFFE ICI. FRANCHEMENT,
JE SUFFOQUE EN VILLE.*

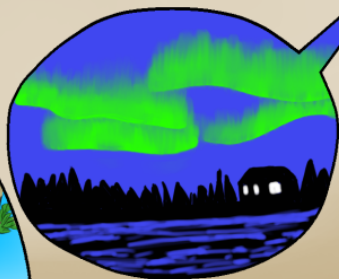

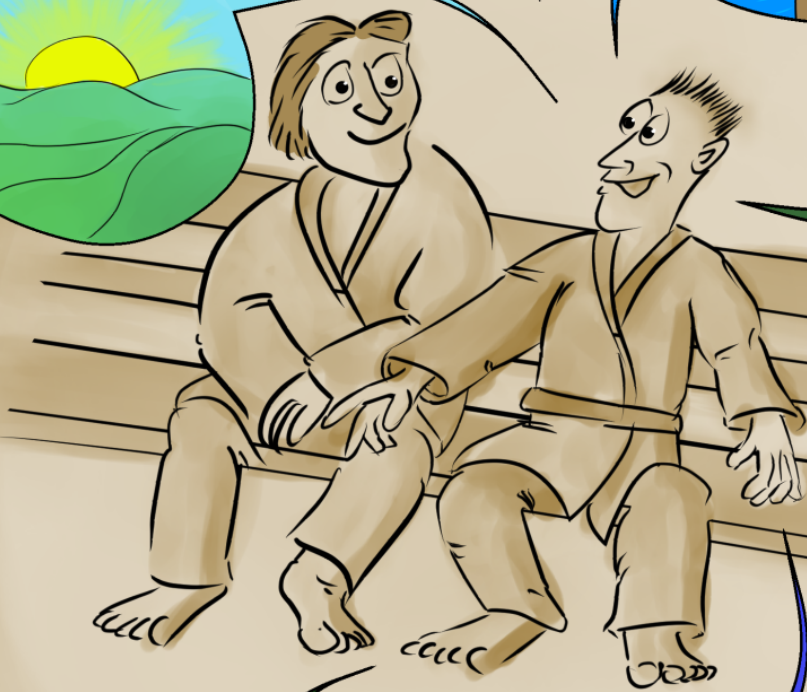

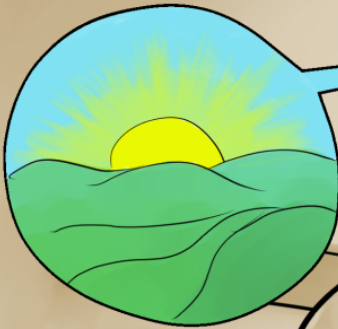

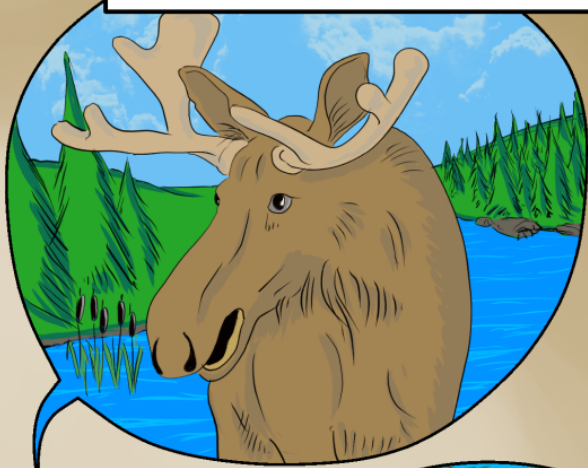

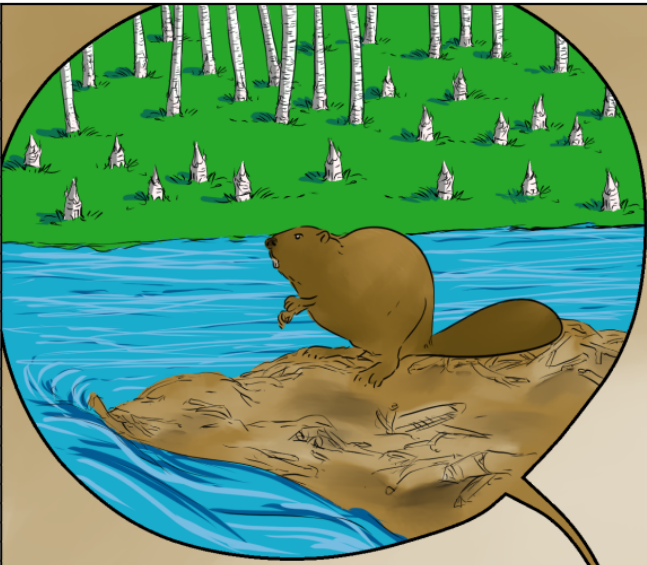

Joe rêve de partir à l'aventure,
de quitter la ville.

Joe s'intéresse vivement aux récits de son nouvel ami, particulièrement à ceux qui touchent au style de vie libre de son coin de pays.

Entre-temps...

PALIVRE JOE, IL N'EST PLUS LE MÊME DEPUIS LE DÉCÈS DE SON AMI.

DIRE QU'IL Y A ENCORE DES GENS QUI MEURENT DE LA GRIPPE ESPAGNOLE. (1)

J'AI UN COUSIN QUI L'A EUE MAIS N'EN EST PAS MORT.

IL EST CHANCEUX.

IL A PEUT-ÊTRE ESSAYÉ LA RECETTE DU PÈRE LADÉBAUCHE!

HA HA HA HA HA HA HA HA

C'EST QUOI CETTE HISTOIRE DU PÈRE LADÉBAUCHE? (2)

C'EST UNE CHRONIQUE HUMORISTIQUE PARUE DANS LE JOURNAL L'AN PASSÉ.

LE PÈRE LADÉBAUCHE ÉTAIT CONVAINCU QU'ON POUVAIT SE GUÉRIR D'UNE GRIPPE AVEC UNE SIMPLE TUQUE!

OUI, UNE SIMPLE TUQUE ET QUELQUES PONCES CHAUDES AVEC! (3)

1, 2 - Détails en fin de récit.

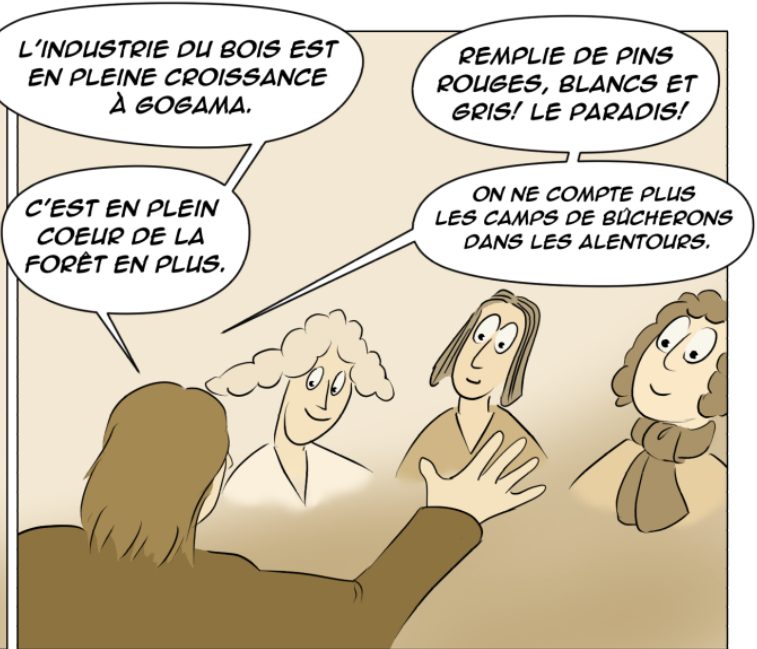

3- Ponce : boisson chaude citronnée et alcoolisée prise dans l'espoir de soulager le rhume ou la grippe.

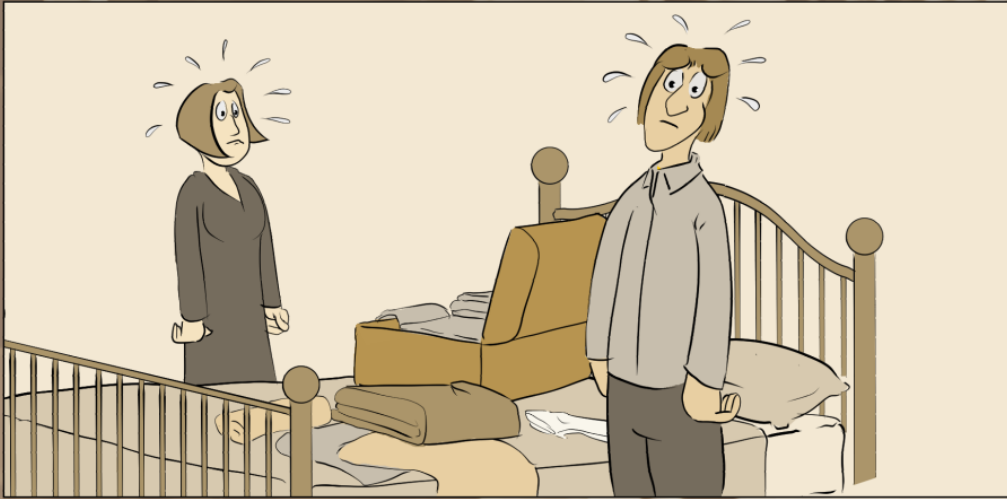

1- Le télégramme était un moyen de communication rapide à l'époque. Voir les notes explicatives à la fin.

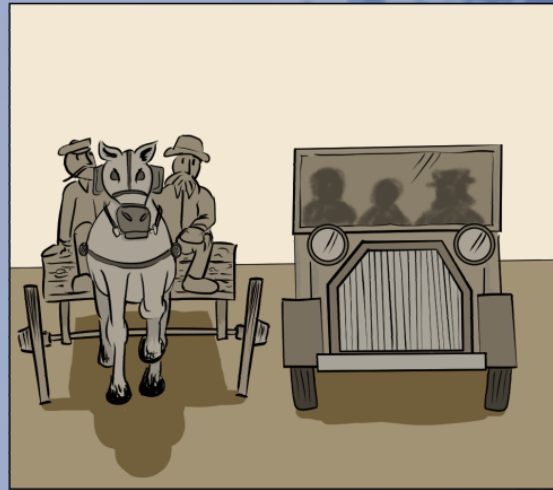

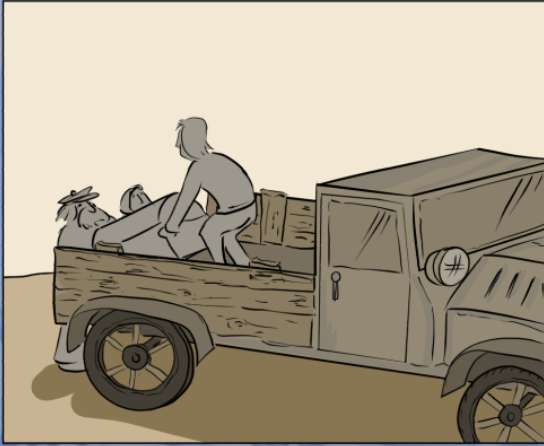

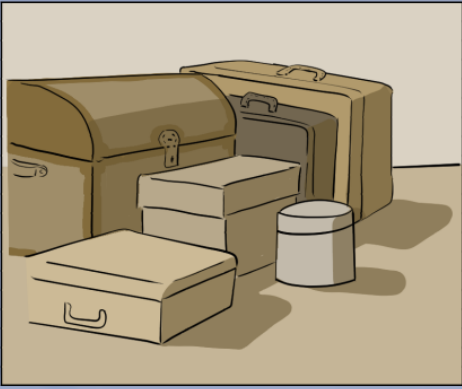

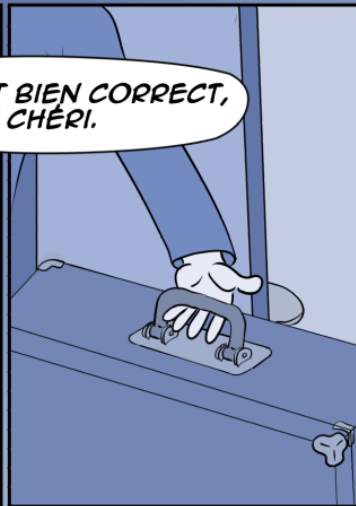

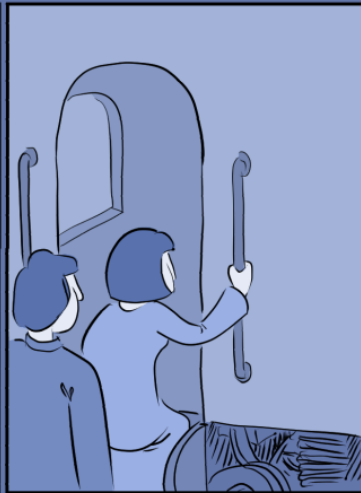

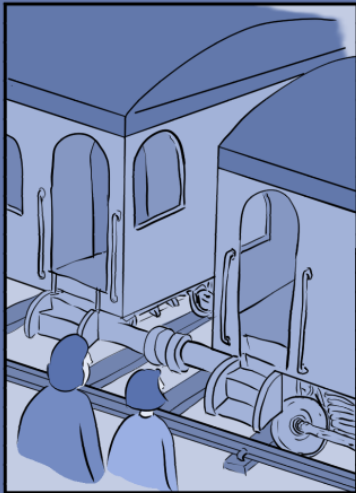

1 - Saint-Télesphore est un village de cultivateurs au sud-ouest de Montréal.

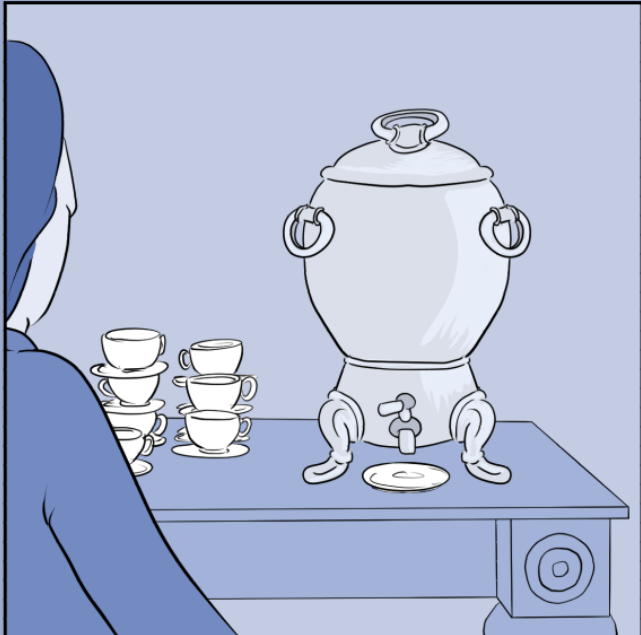

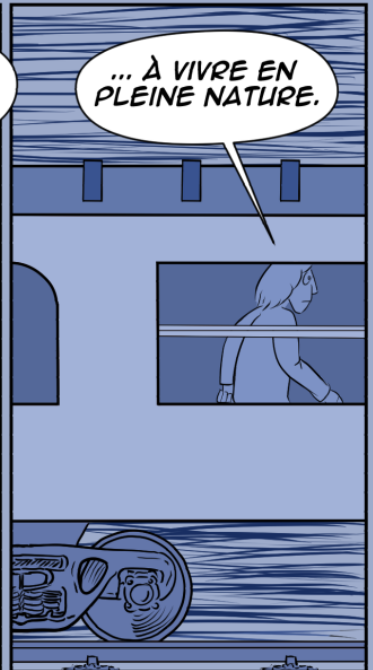

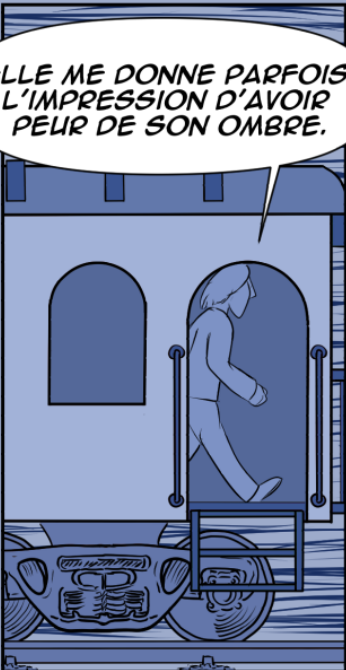

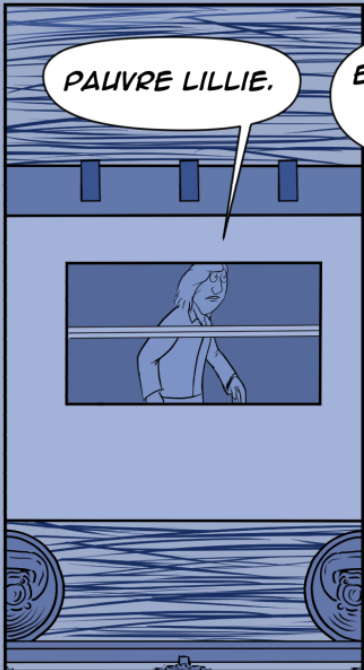

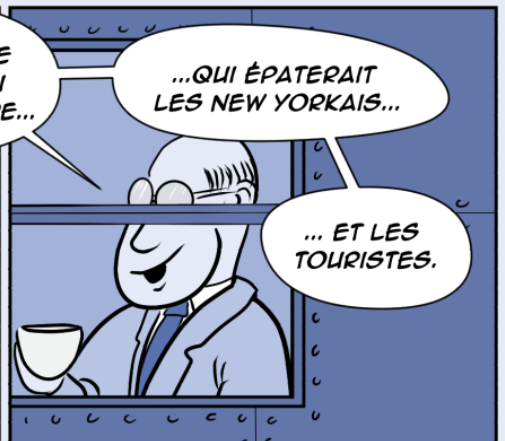

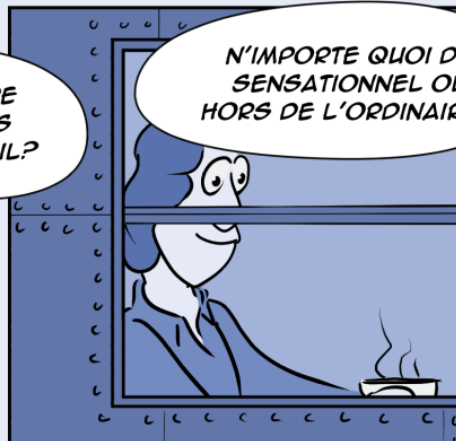

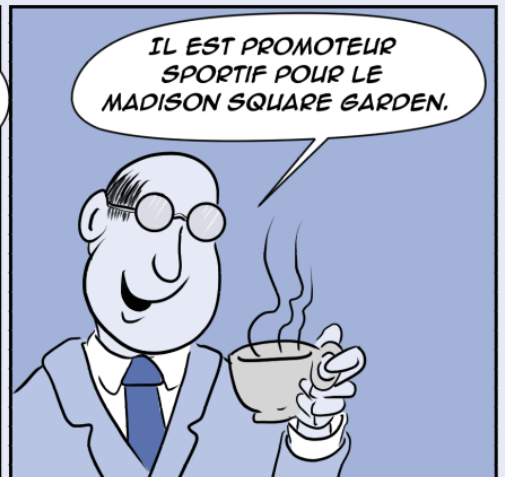

Quelques jours plus tard,
Joe et Lillie sont déjà à préparer
le grand départ.

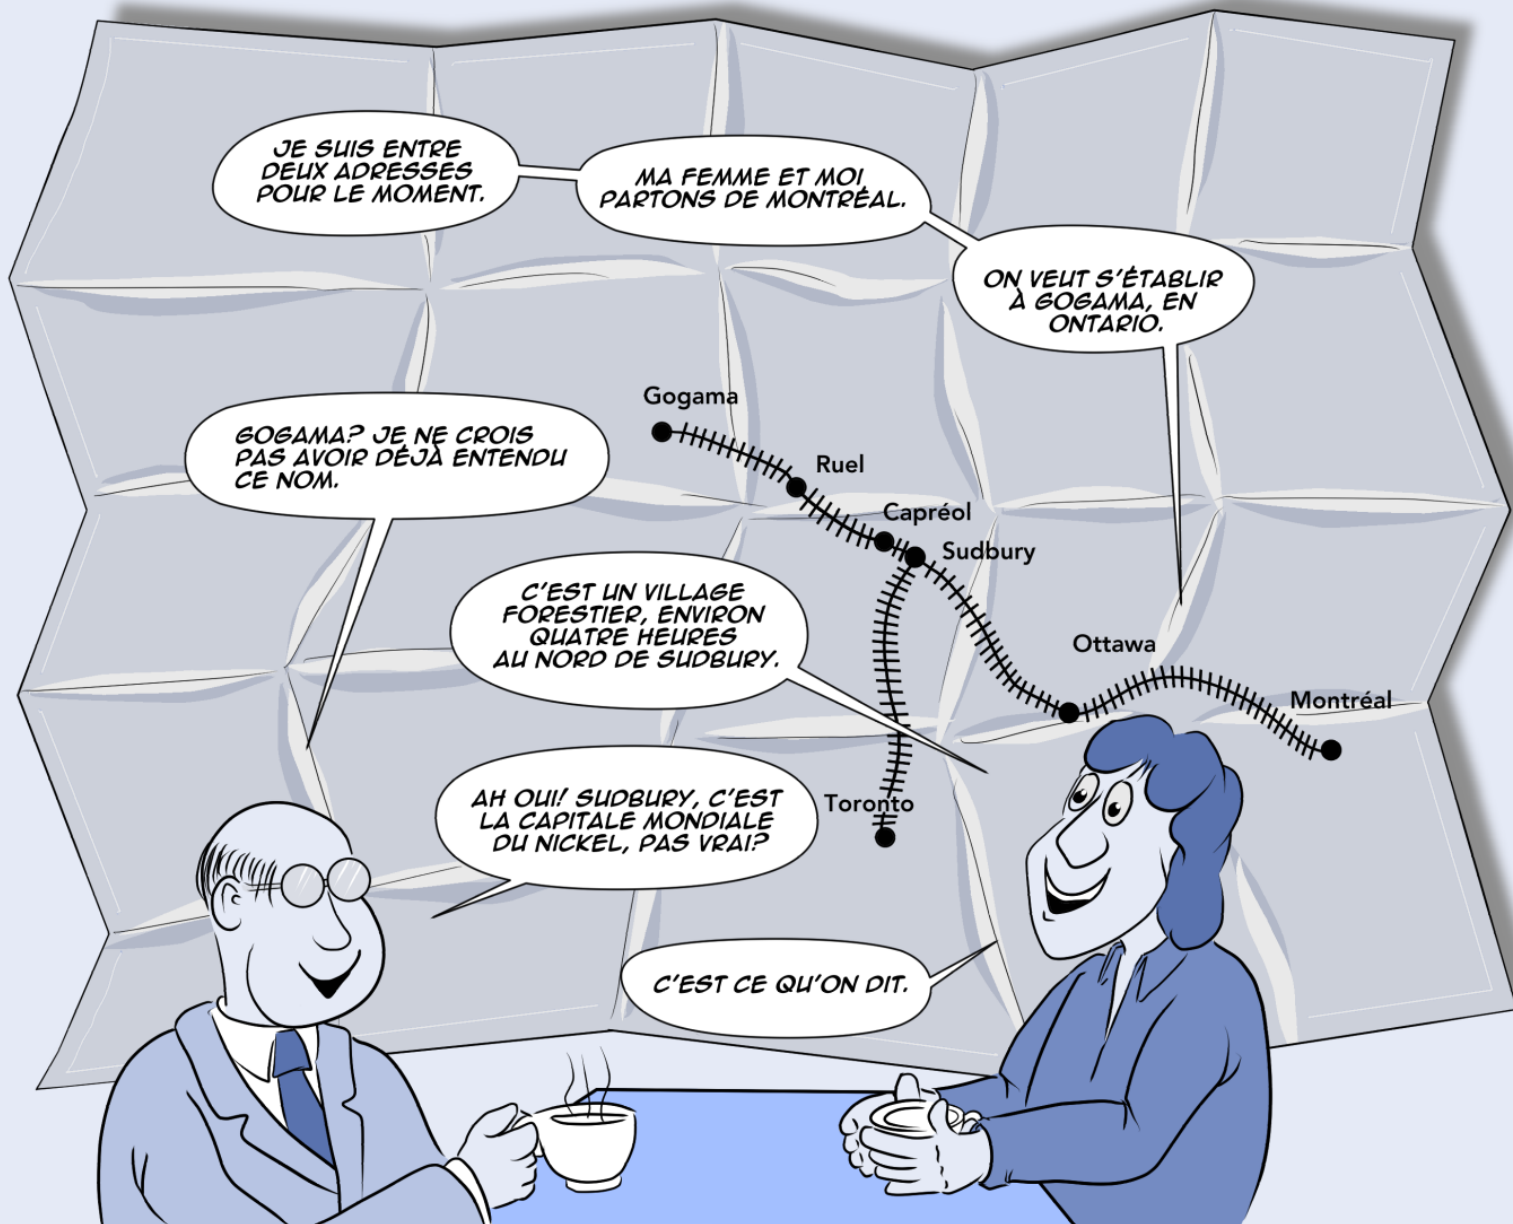

JE SUIS ENTRE DEUX ADRESSES POUR LE MOMENT.

MA FEMME ET MOI PARTONS DE MONTR AL.

ON VEUT S' TABLIR   GOGAMA, EN ONTARIO.

GOGAMA? JE NE CROIS PAS AVOIR D J   ENTENDU CE NOM.

C'EST UN VILLAGE FORESTIER, ENVIRON QUATRE HEURES AU NORD DE SUDBURY.

AH OUI! SUDBURY, C'EST LA CAPITALE MONDIALE DU NICKEL, PAS VRAI?

C'EST CE QU'ON DIT.

C' TAIT AGR ABLE DE JASER AVEC VOUS.

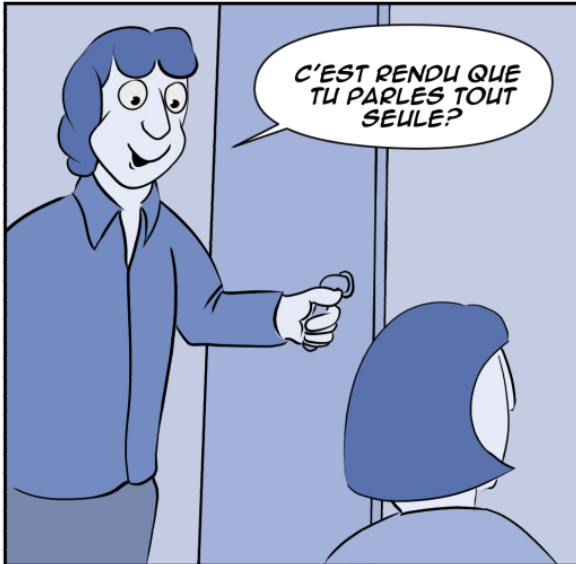

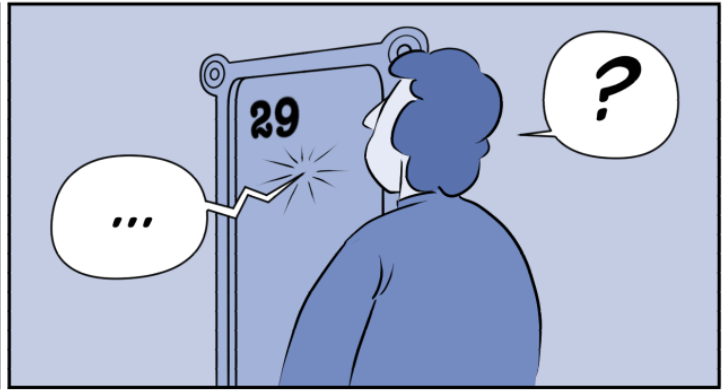

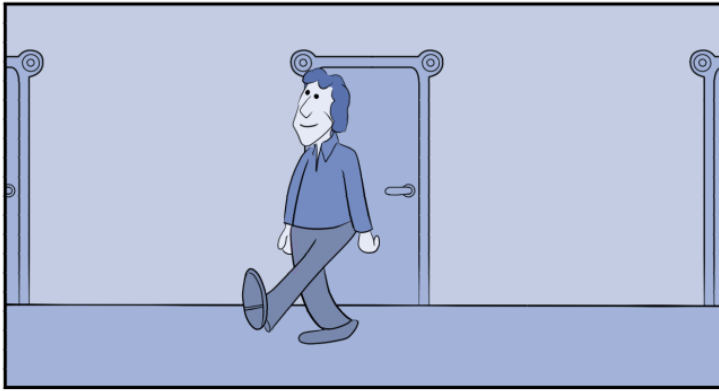

TIENS, VOICI MA CARTE DE VISITE.

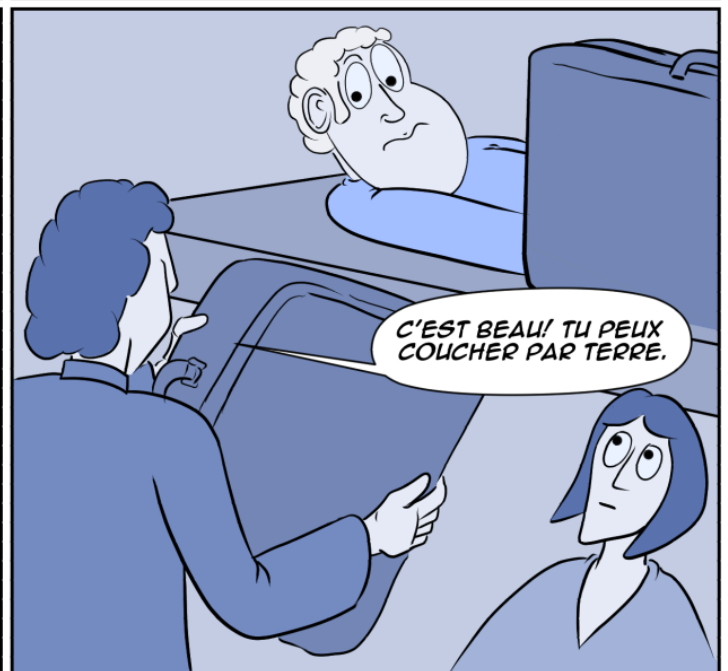

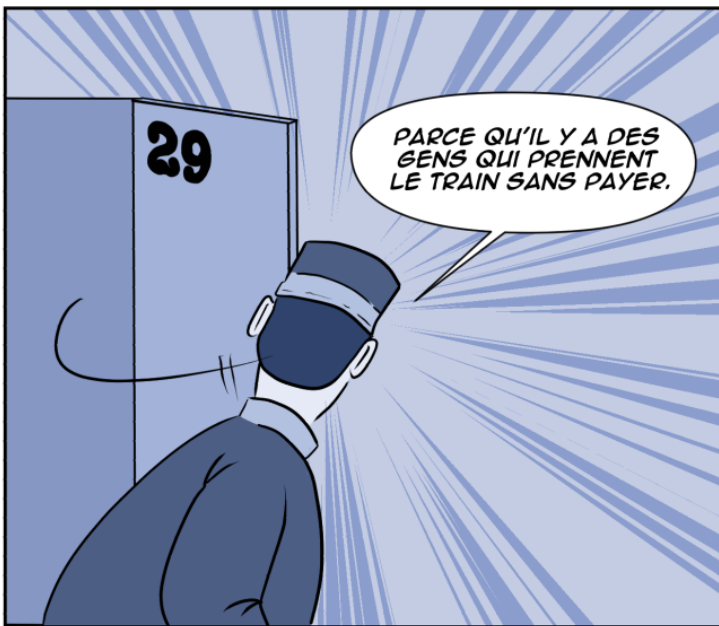

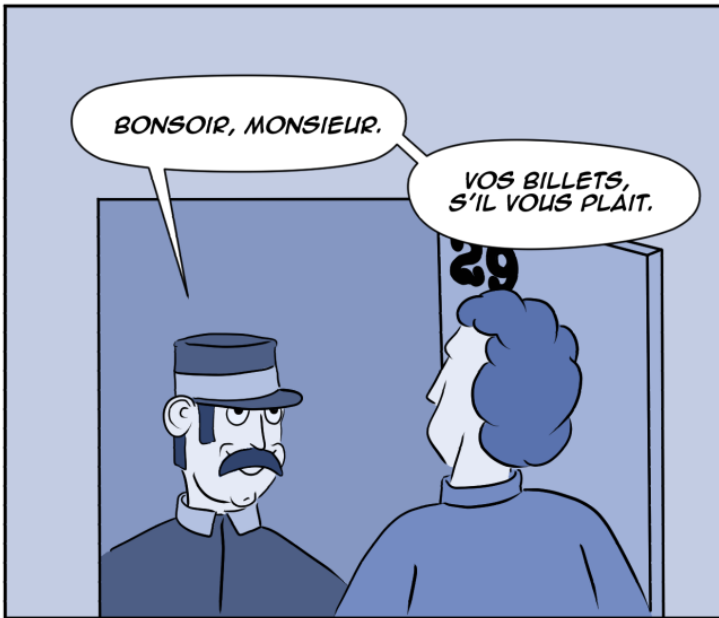

AU CAS O  TU RENCONTRERAI, QUELQUE PART DANS LE NORD, DES GENS AVEC UN TALENT PARTICULIER.

MERCI. JE VAIS GARDER UN O IL OLIVERT.

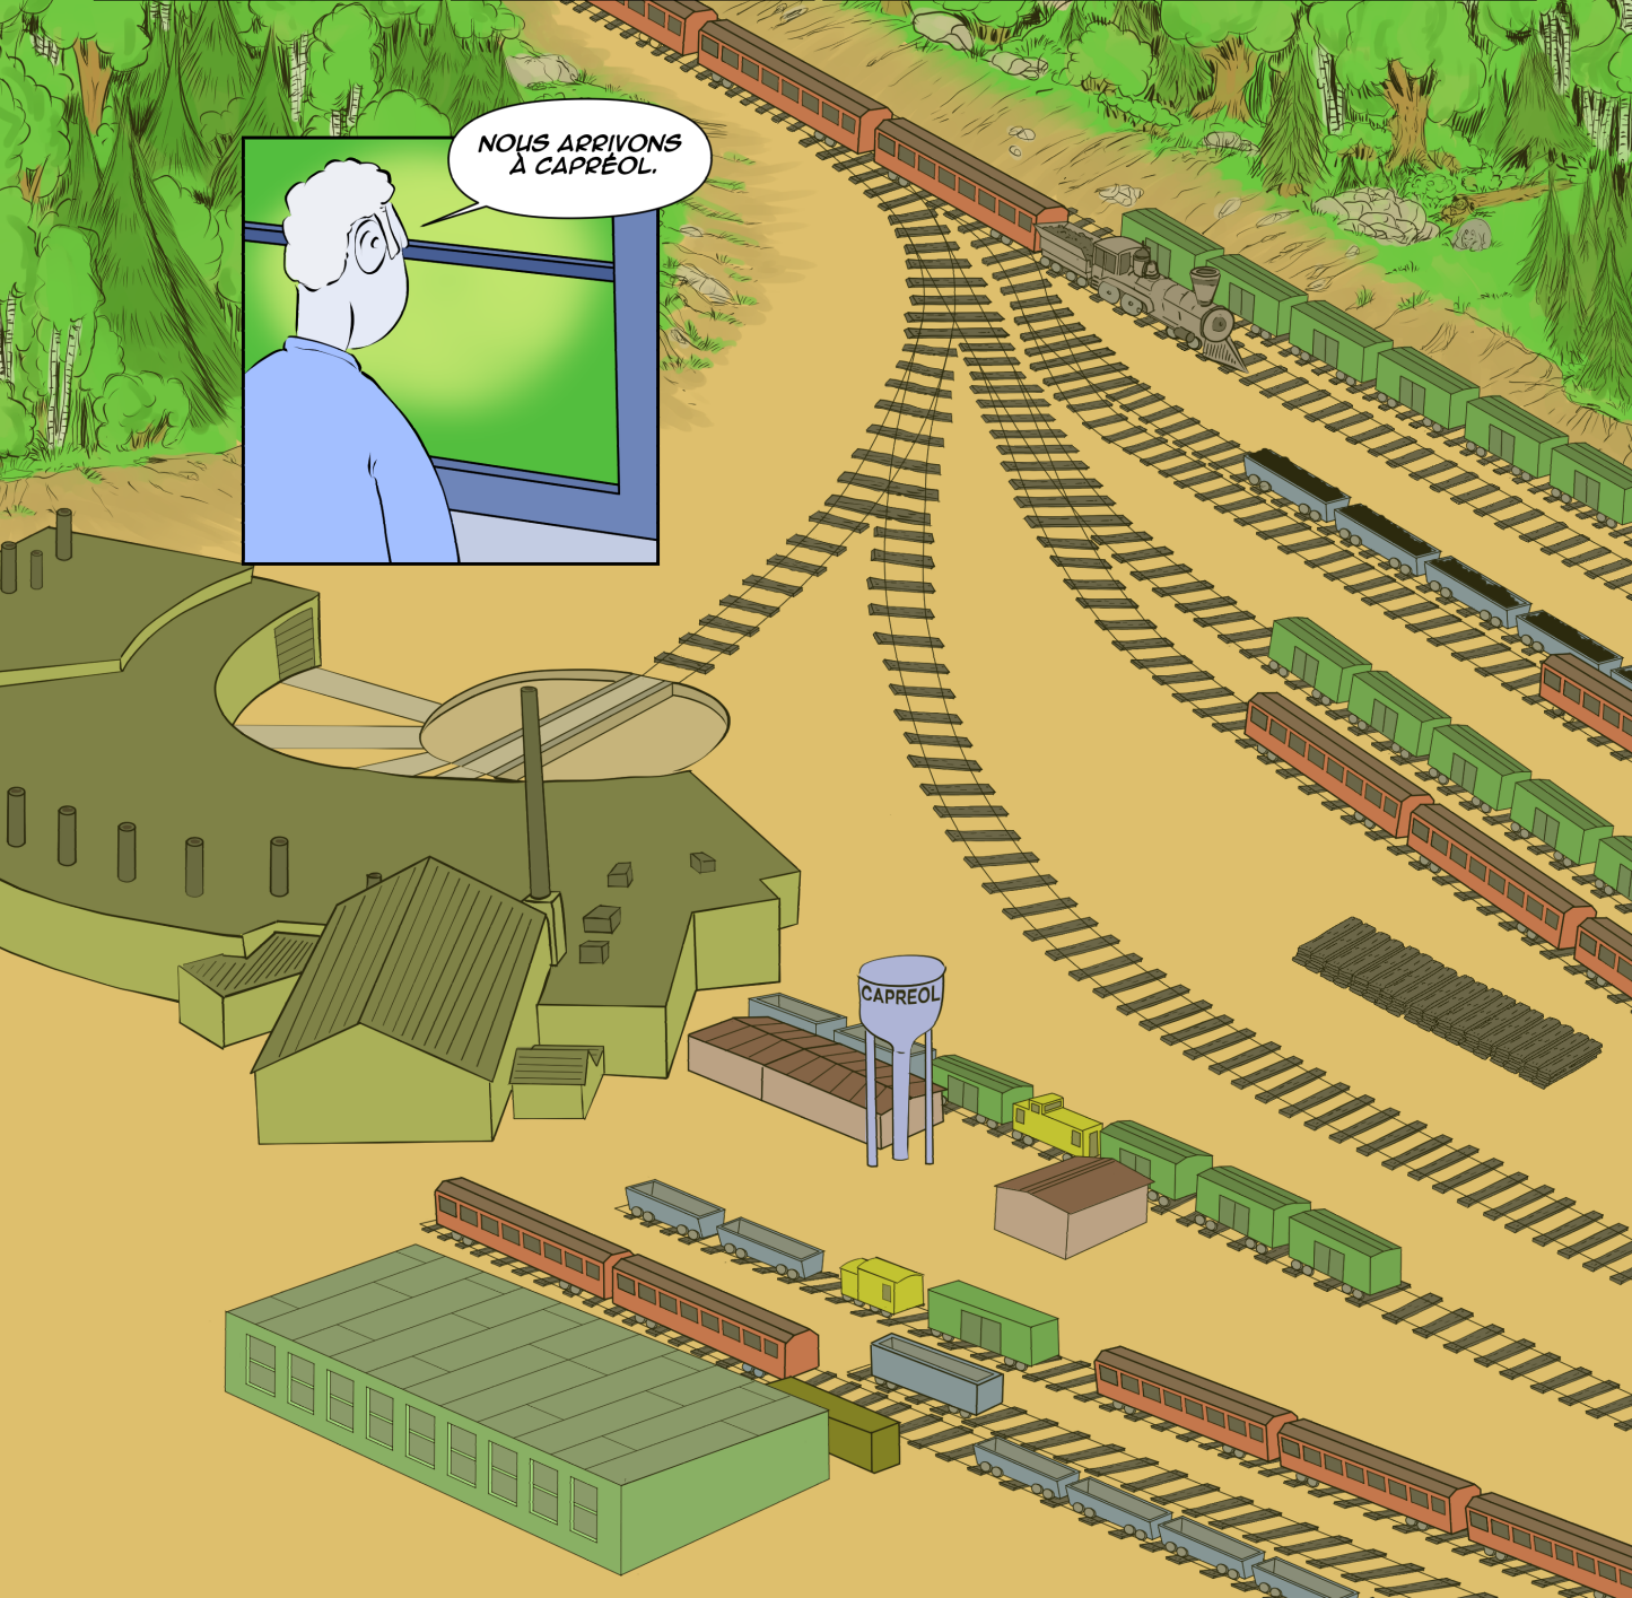

AUREVOIR!

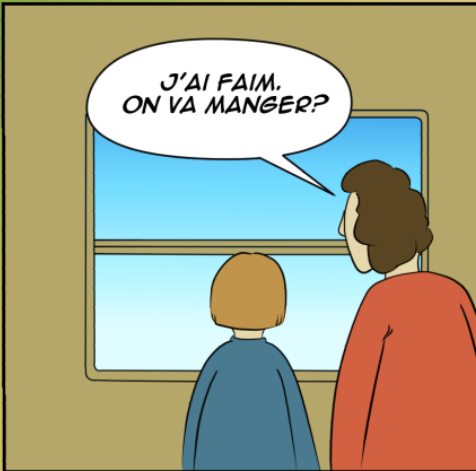

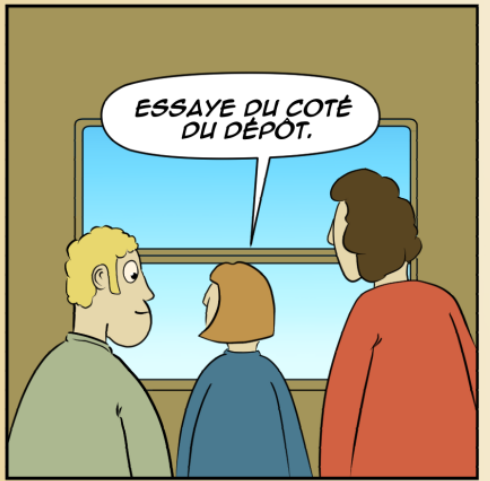

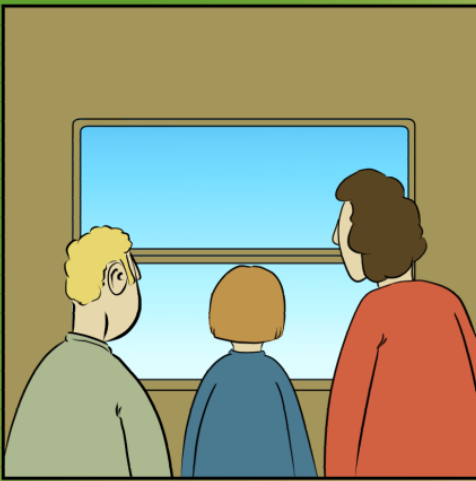

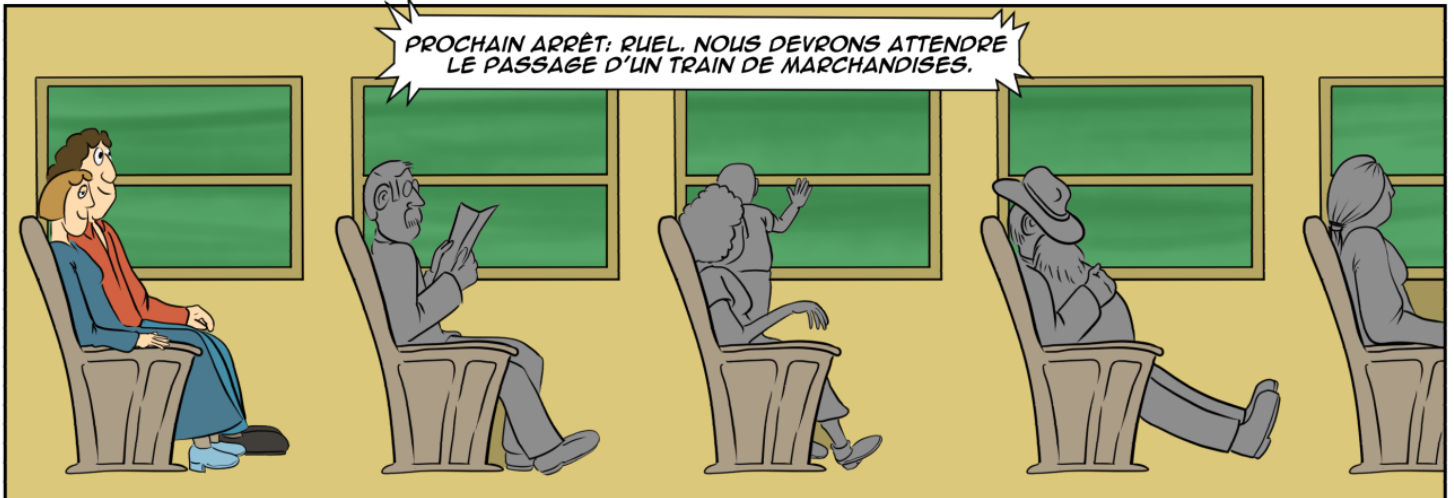

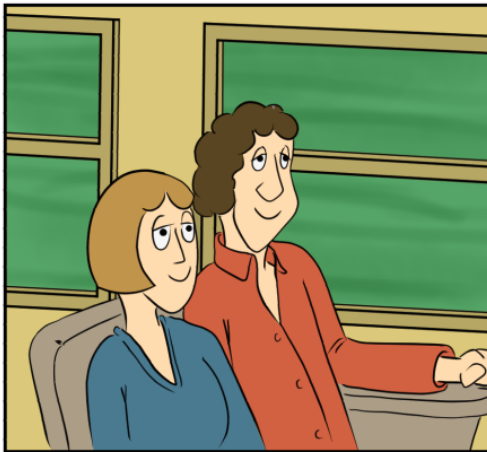

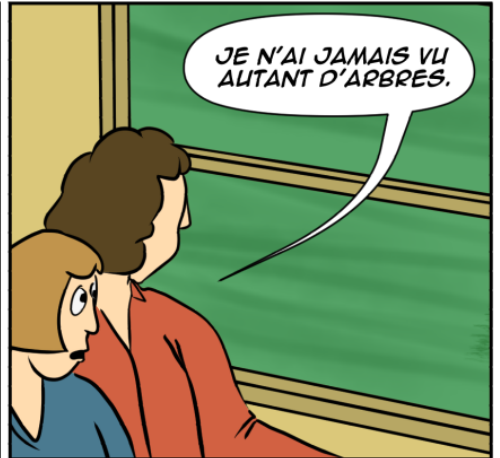

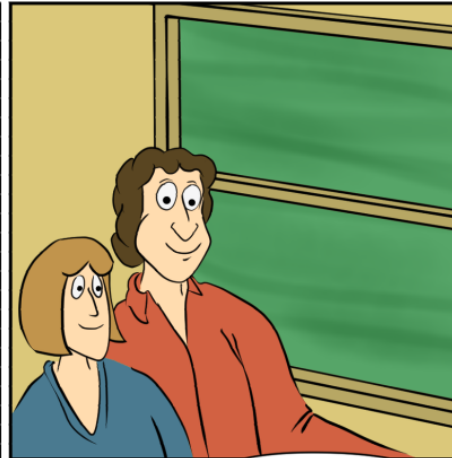

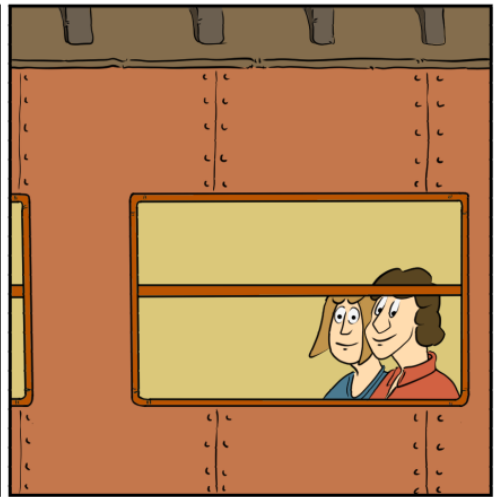

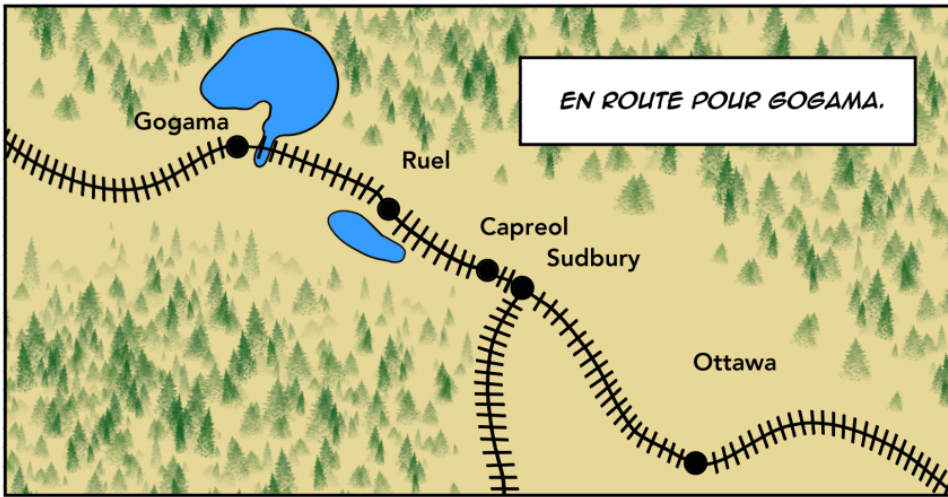

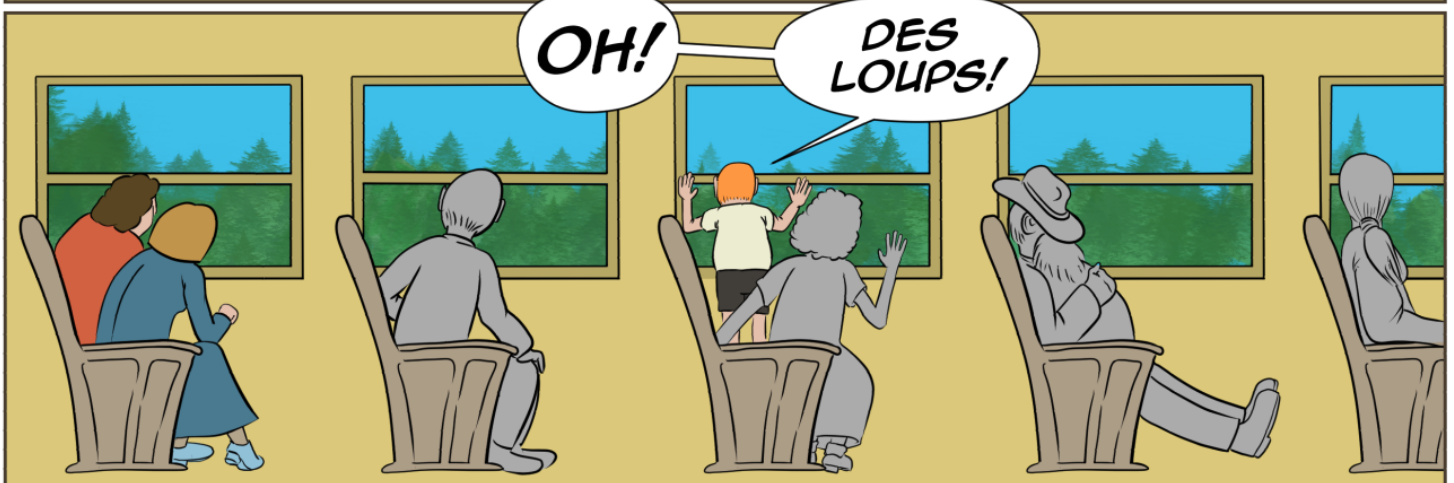

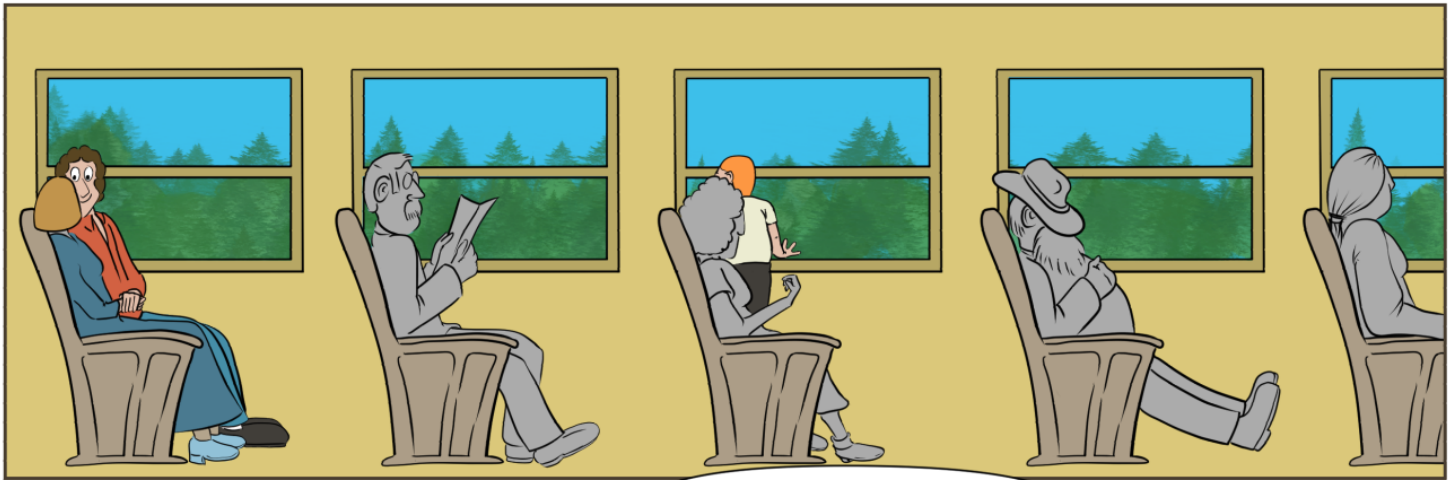

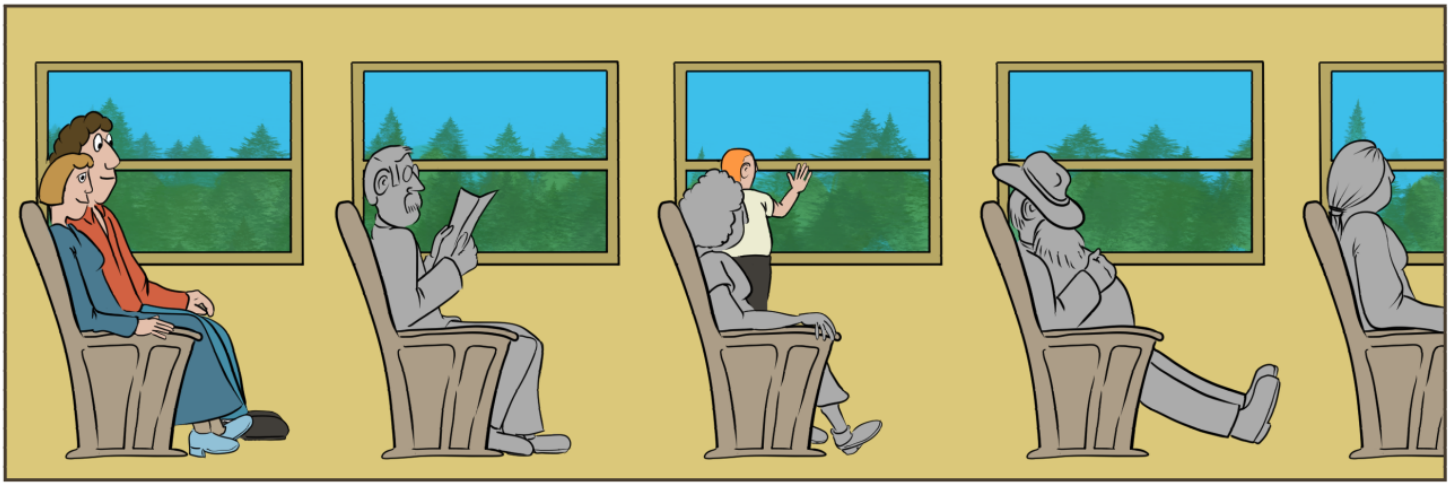

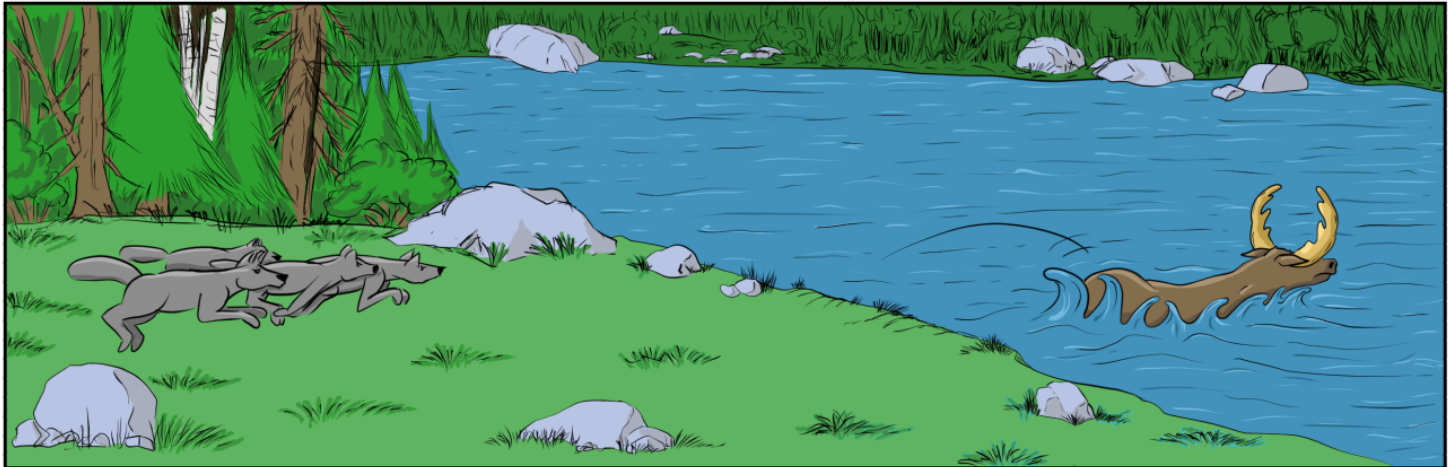

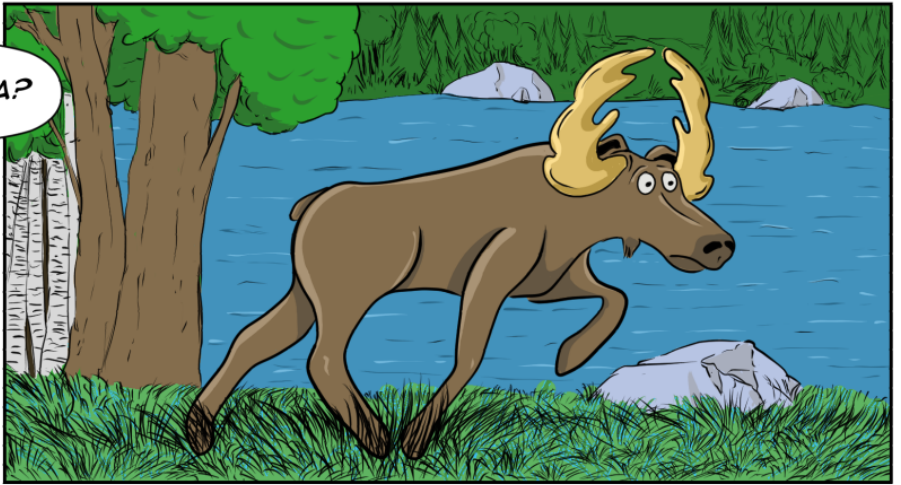

NOUS ARRIVONS
À CAPRÉOL.

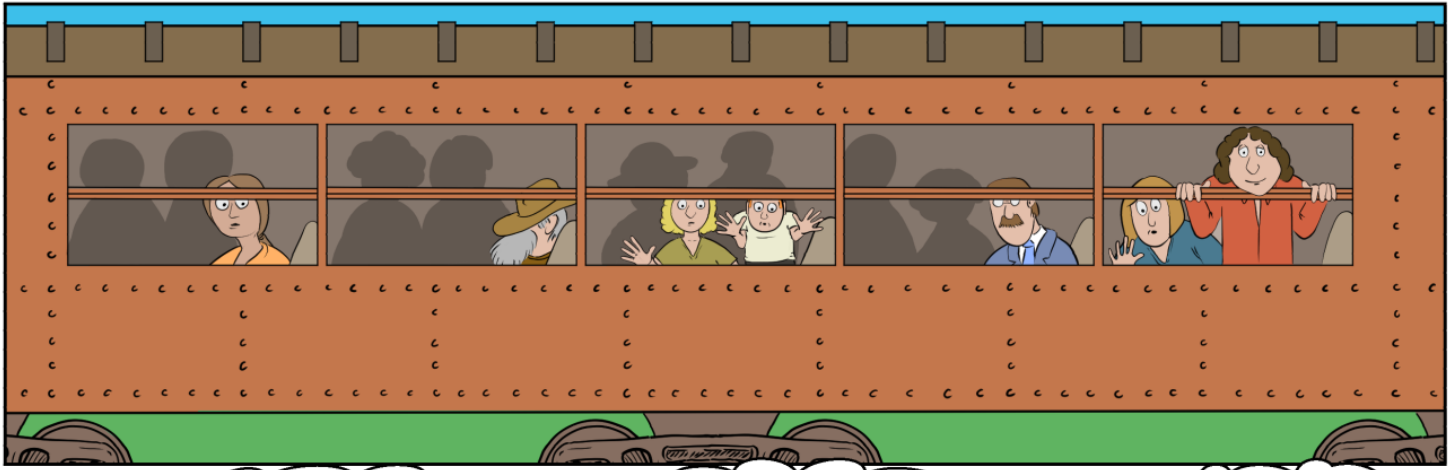

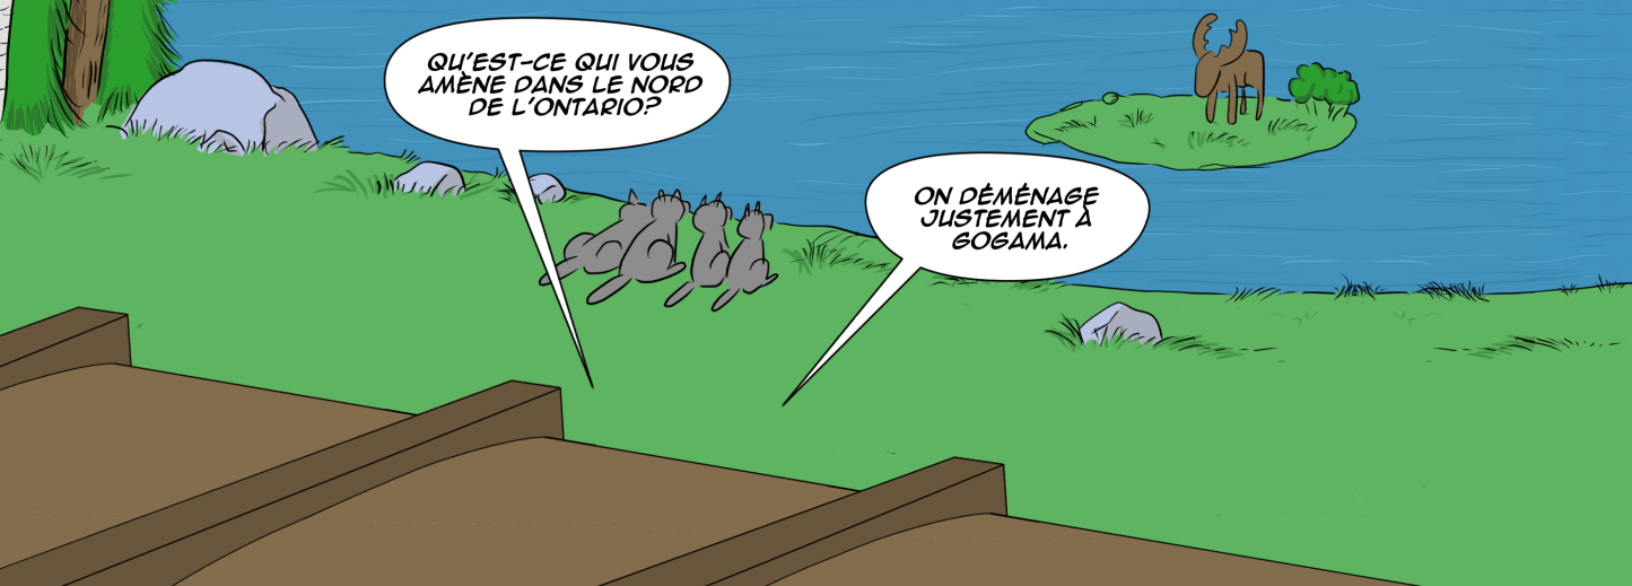

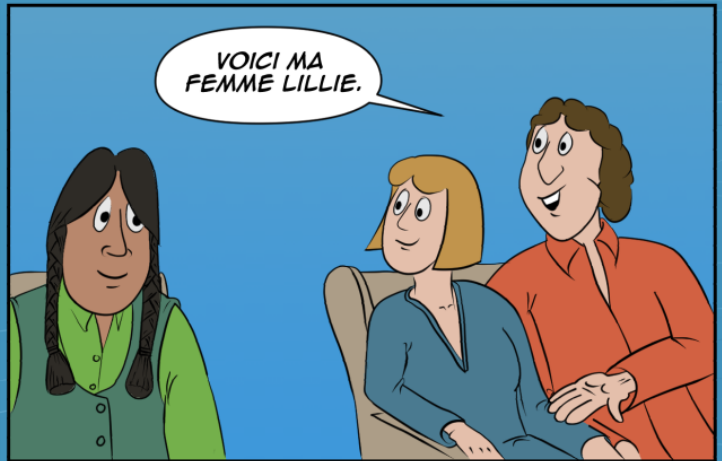

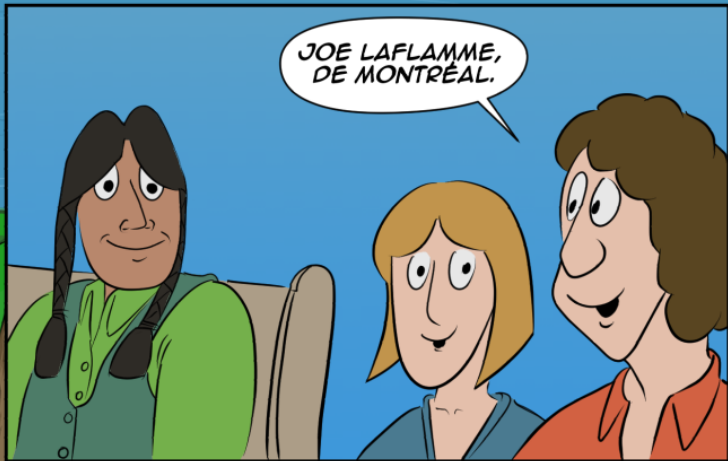

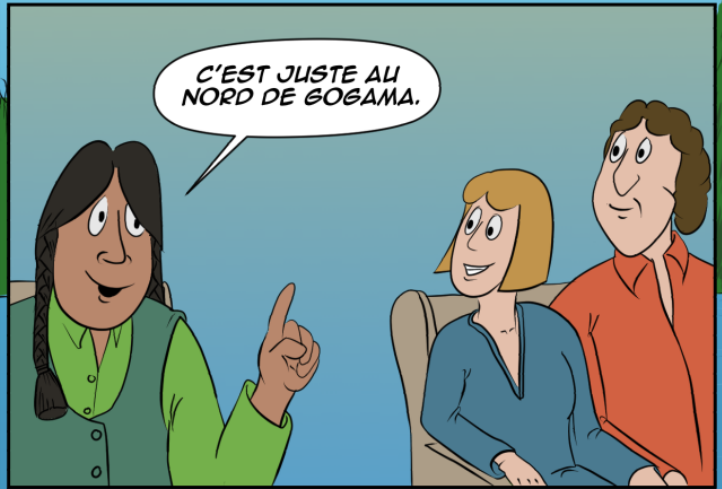

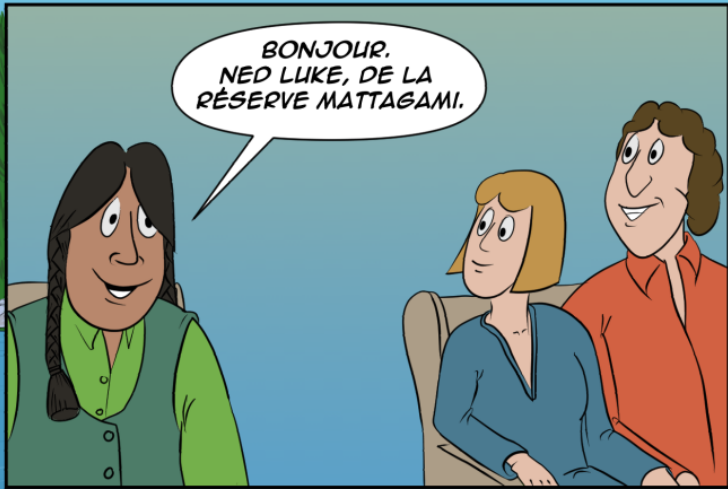

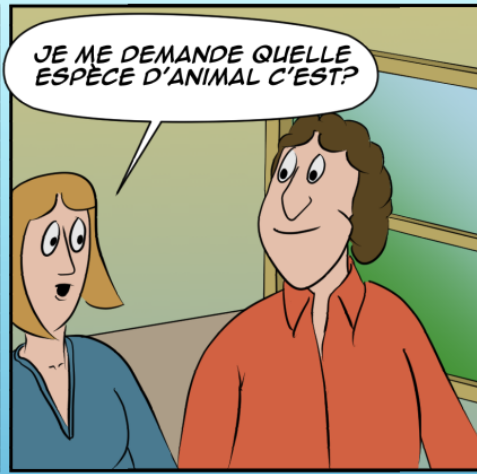

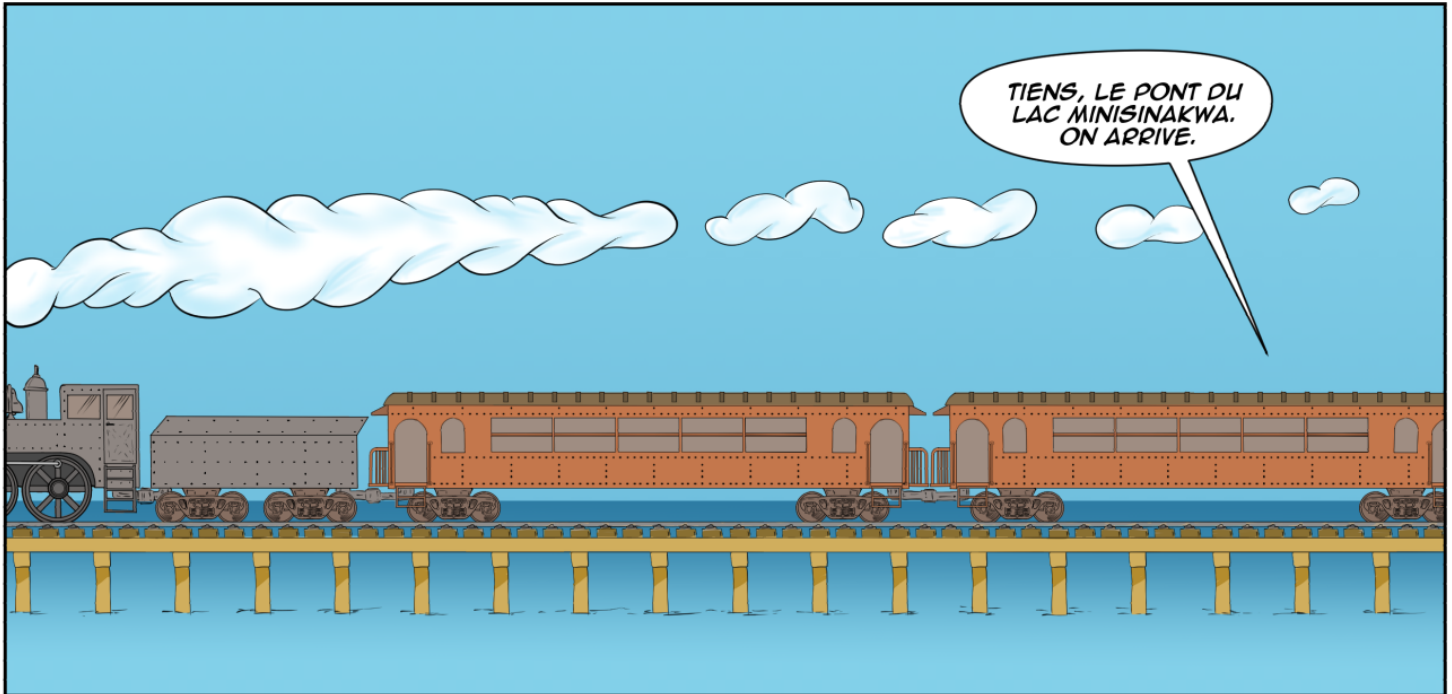

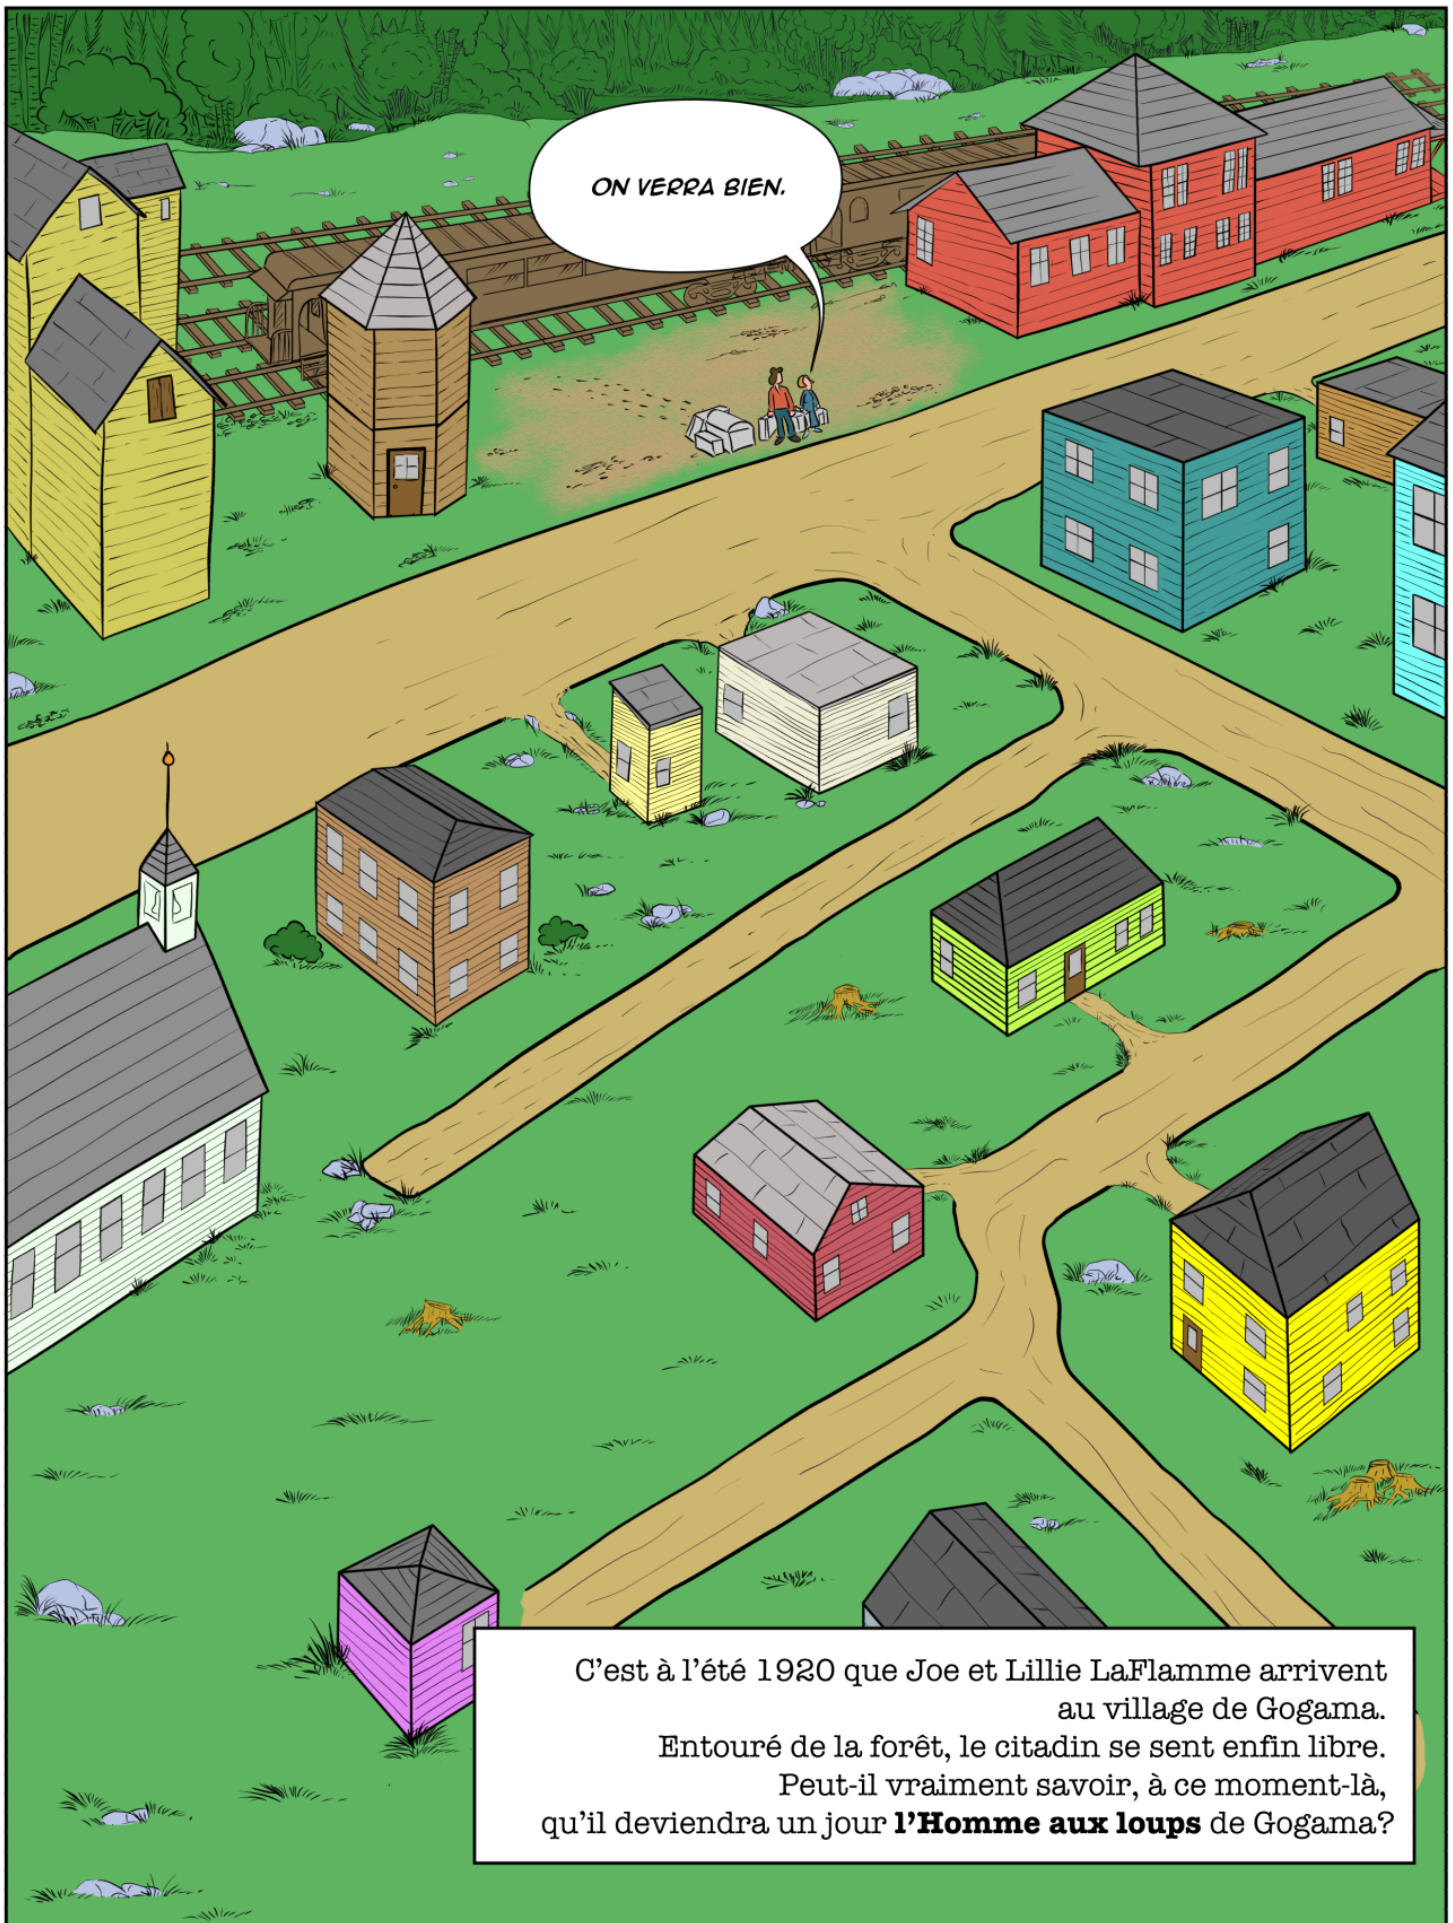

C'est à l'été 1920 que Joe et Lillie LaFlamme arrivent
au village de Gogama.
Entouré de la forêt, le citadin se sent enfin libre.
Peut-il vraiment savoir, à ce moment-là,
qu'il deviendra un jour **l'Homme aux loups** de Gogama?
