Jablo / Charron

# Mutiny on Sleigh

(part 2)

At Beaver Lake, far from Gogama, Joe is struggling with a rebellious team. The wolf tamer fears the worst. Will he get out of this predicament?

Hum!?

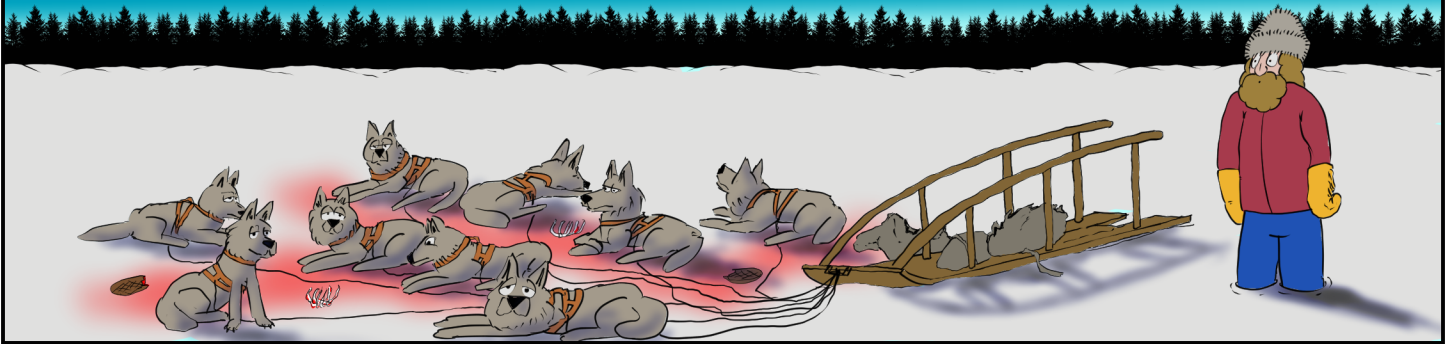

I've packed a lunch for you, dear.  
And don't forget your snowshoes!

Oops!

The sun gives way to the night. The full moon shines light on the scene of carnage.

Umm... I'm in luck.  
The harness is not  
even tangled.

Let's see if I still  
have control of  
my team...

It's time to go  
home now.

Mu-u-sh-sh,  
Pete!

Mush!

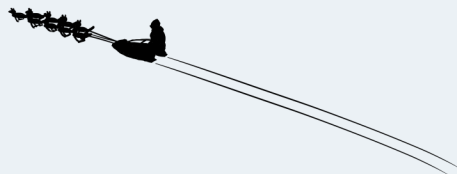

On the way home, Joe shudders to think that his wolves almost ate him up!

Geez! They could have at least left me some lunch...

This adventure made Joe realize that wolves will always be wolves. There is no guarantee that wolves won't ever turn against their master.
